

AI Club Is Coming Back to Marshdale.

Wednesdays After School · Grades K–5 · 9 Weeks PerSession

A hands-on after-school club where kids learn how AI actually works by building things with their hands. Craft supplies, teamwork, and real AI concepts. Taught by EverBot, a local Evergreen company.

K–5**9 WEEKS****15**
students max**\$275****WINTER SESSION****Video Games****Nov 18 – Feb 10, 2027**

9weeks · \$275perstudent
